

WORLD HUNGER AWARENESS DAY

1.10.10

What will your church do to put an end to hunger this year? We pray that you'll take the next 10 months to look at how your church family can help meet the needs of the hungry—whether it's in your backyard or across the globe.

This 2-minute video can be downloaded and shared with your congregation to get the conversation started.

I have come that you might have life.
John 10:10
